

Phoenix Behavioral Counselor

Monique Gore

MSW, LCSW

Licensed Clinical Social Worker Monique Gore

specializes in child, teen, adult, couples, parenting, and family therapy at our Green Bay office located at 1600 Shawano Ave, Suite

#100, or by way of video conference (Telehealth).

Monique has over 25 years of experience as a psychotherapist. She enjoys working with people of all ages as individuals or as members of their family, social, school, or work systems. Her goal is to provide a safe space for each person to share their stories and to explore the changes that they desire to make. Monique has training in Solution Focused Therapy, Cognitive Behavioral Therapy and other methods that support the development of a collaborative therapeutic relationship.

In addition to the rewarding experiences in engaging with remarkable and unique individuals met through the therapeutic journey, Monique also loves family, friends, animals, nature, music, reading, comedy, sports, cooking, and learning.
